### Restricted areas:

#### In Hosjöholmen:

- Do not stay anywhere near the photocells after you finish your run. They are located along the yellow line in the picture.
- Only walk up ashore where the screen displaying results is situated. **NOT ANYWHERE ELSE! The red area in the picture is restricted.**

### Team runs:

- There will be a Team Run registration list on the whiteboard in the clubhouse where you can sign up your teams.
- Signups are allowed until 14:00, then the list will be removed.

### **Finding people for team runs:**

- Write in the WhatsApp group to find people to do team runs with! :)
- And write your name on the registration list, so people know you are looking for a team, and they can fill in their names on your team.

### **Training Falu Whitewaterpark:**

- Follow the schedule set for your training group.
- Do not move the gates up- or downstream by dragging them on the (primary) wires along the course.

### **Results and livestream:**

- Go to [canoenordiccup.com/sweden](https://canoenordiccup.com/sweden) to find the Live Results and the YouTube Livestream.
- The competition will be Live-streamed on Falu Kanotklubbs YouTube-channel.

### **Protest against a penalty:**

- Talk to Yann (chief judge) as soon as possible after your run.

### **Training on the competition courses:**

- We have free training on the competition courses for all competitors. We think it gives everyone and especially younger athletes a better experience.
- There is free training on the competition course in Hosjöholmen from Friday 15 pm.
- There is free training on the competition course in Falu Whitewaterpark Sunday morning.
- **New for this year:** Everyone is allowed to train on the course **between the runs as well!** Practice that tricky move! ;) Leave the course 15 min before the next start.

### **Help with gate judging:**

- We need gate judges. Please talk to Yann if you want to help.
- The judge meeting is at 8:30 am on both days; in the caravan in Hosjöholmen and in the red construction shed beside the sauna in Falu Whitewaterpark.

### **Help with people managing the cameras for the live stream:**

- We need two people operating the cameras recording the competitors. Please contact Yann if you want to help.

### **After the last run:**

- **Saturday:** We ask all paddlers to help us move all the competition gates to shore so the numbers can be removed. But please be careful when moving the gates! Do not use downward force when pulling, only pull the gates SIDEWAYS, or they might break! We will remove all cables and equipment before the prize ceremony, and we are thankful for all the help we can get. Ask Yann, Bobbo, Marcus (starter) or Josef (time-keeper) where to put the equipment.
- **Sunday:** Prize-ceremony will be held as fast as possible.
